The following provisions shall be in effect:

4. As conditions change, alterations may be made to City operations without prior notice. Any changes will be distributed through www.newportky.gov; our Newport Facebook page (CityofNewportKY); the neighborhood list serves; and, posted at the City Building.

These procedures are being instituted to assure that critical city services will continue without interruption. We believe that this public health emergency will be brought under control much sooner if the advice of public health officials is being followed by residents and businesses.

Our emergency services will continue to operate during this period. Some reports may be taken by the Police Department by phone.

Thank you for your patience and cooperation during this time.
