Newport, Kentucky –Newport is making big changes to its trash program. Beginning July 1, curbside recycling is available to all residents at no additional cost and trash moves to once weekly collection.

As part of Newport’s contract with Rumpke, all residents will receive a 65-gallon recycling cart that will be collected once per week at no additional cost. Residents can opt for a smaller 18-gallon bin by contacting Rumpke. Rumpke will deliver recycling containers June 24 and 25.

With the move to once weekly trash collection and the adoption of curbside recycling for all, most residents will have a new collection day.

Residents should watch their mailbox next week for information about their new trash and recycling collection schedule. The new schedule can also be accessed on the City’s website and online searchable map of pick up days can be viewed at <https://arcg.is/8SGTj>.

“It’s a big change for our residents,” said Tom Fromme, Newport City Manager. “For years, we offered twice weekly trash collection service and offered curbside recycling for an additional fee.”

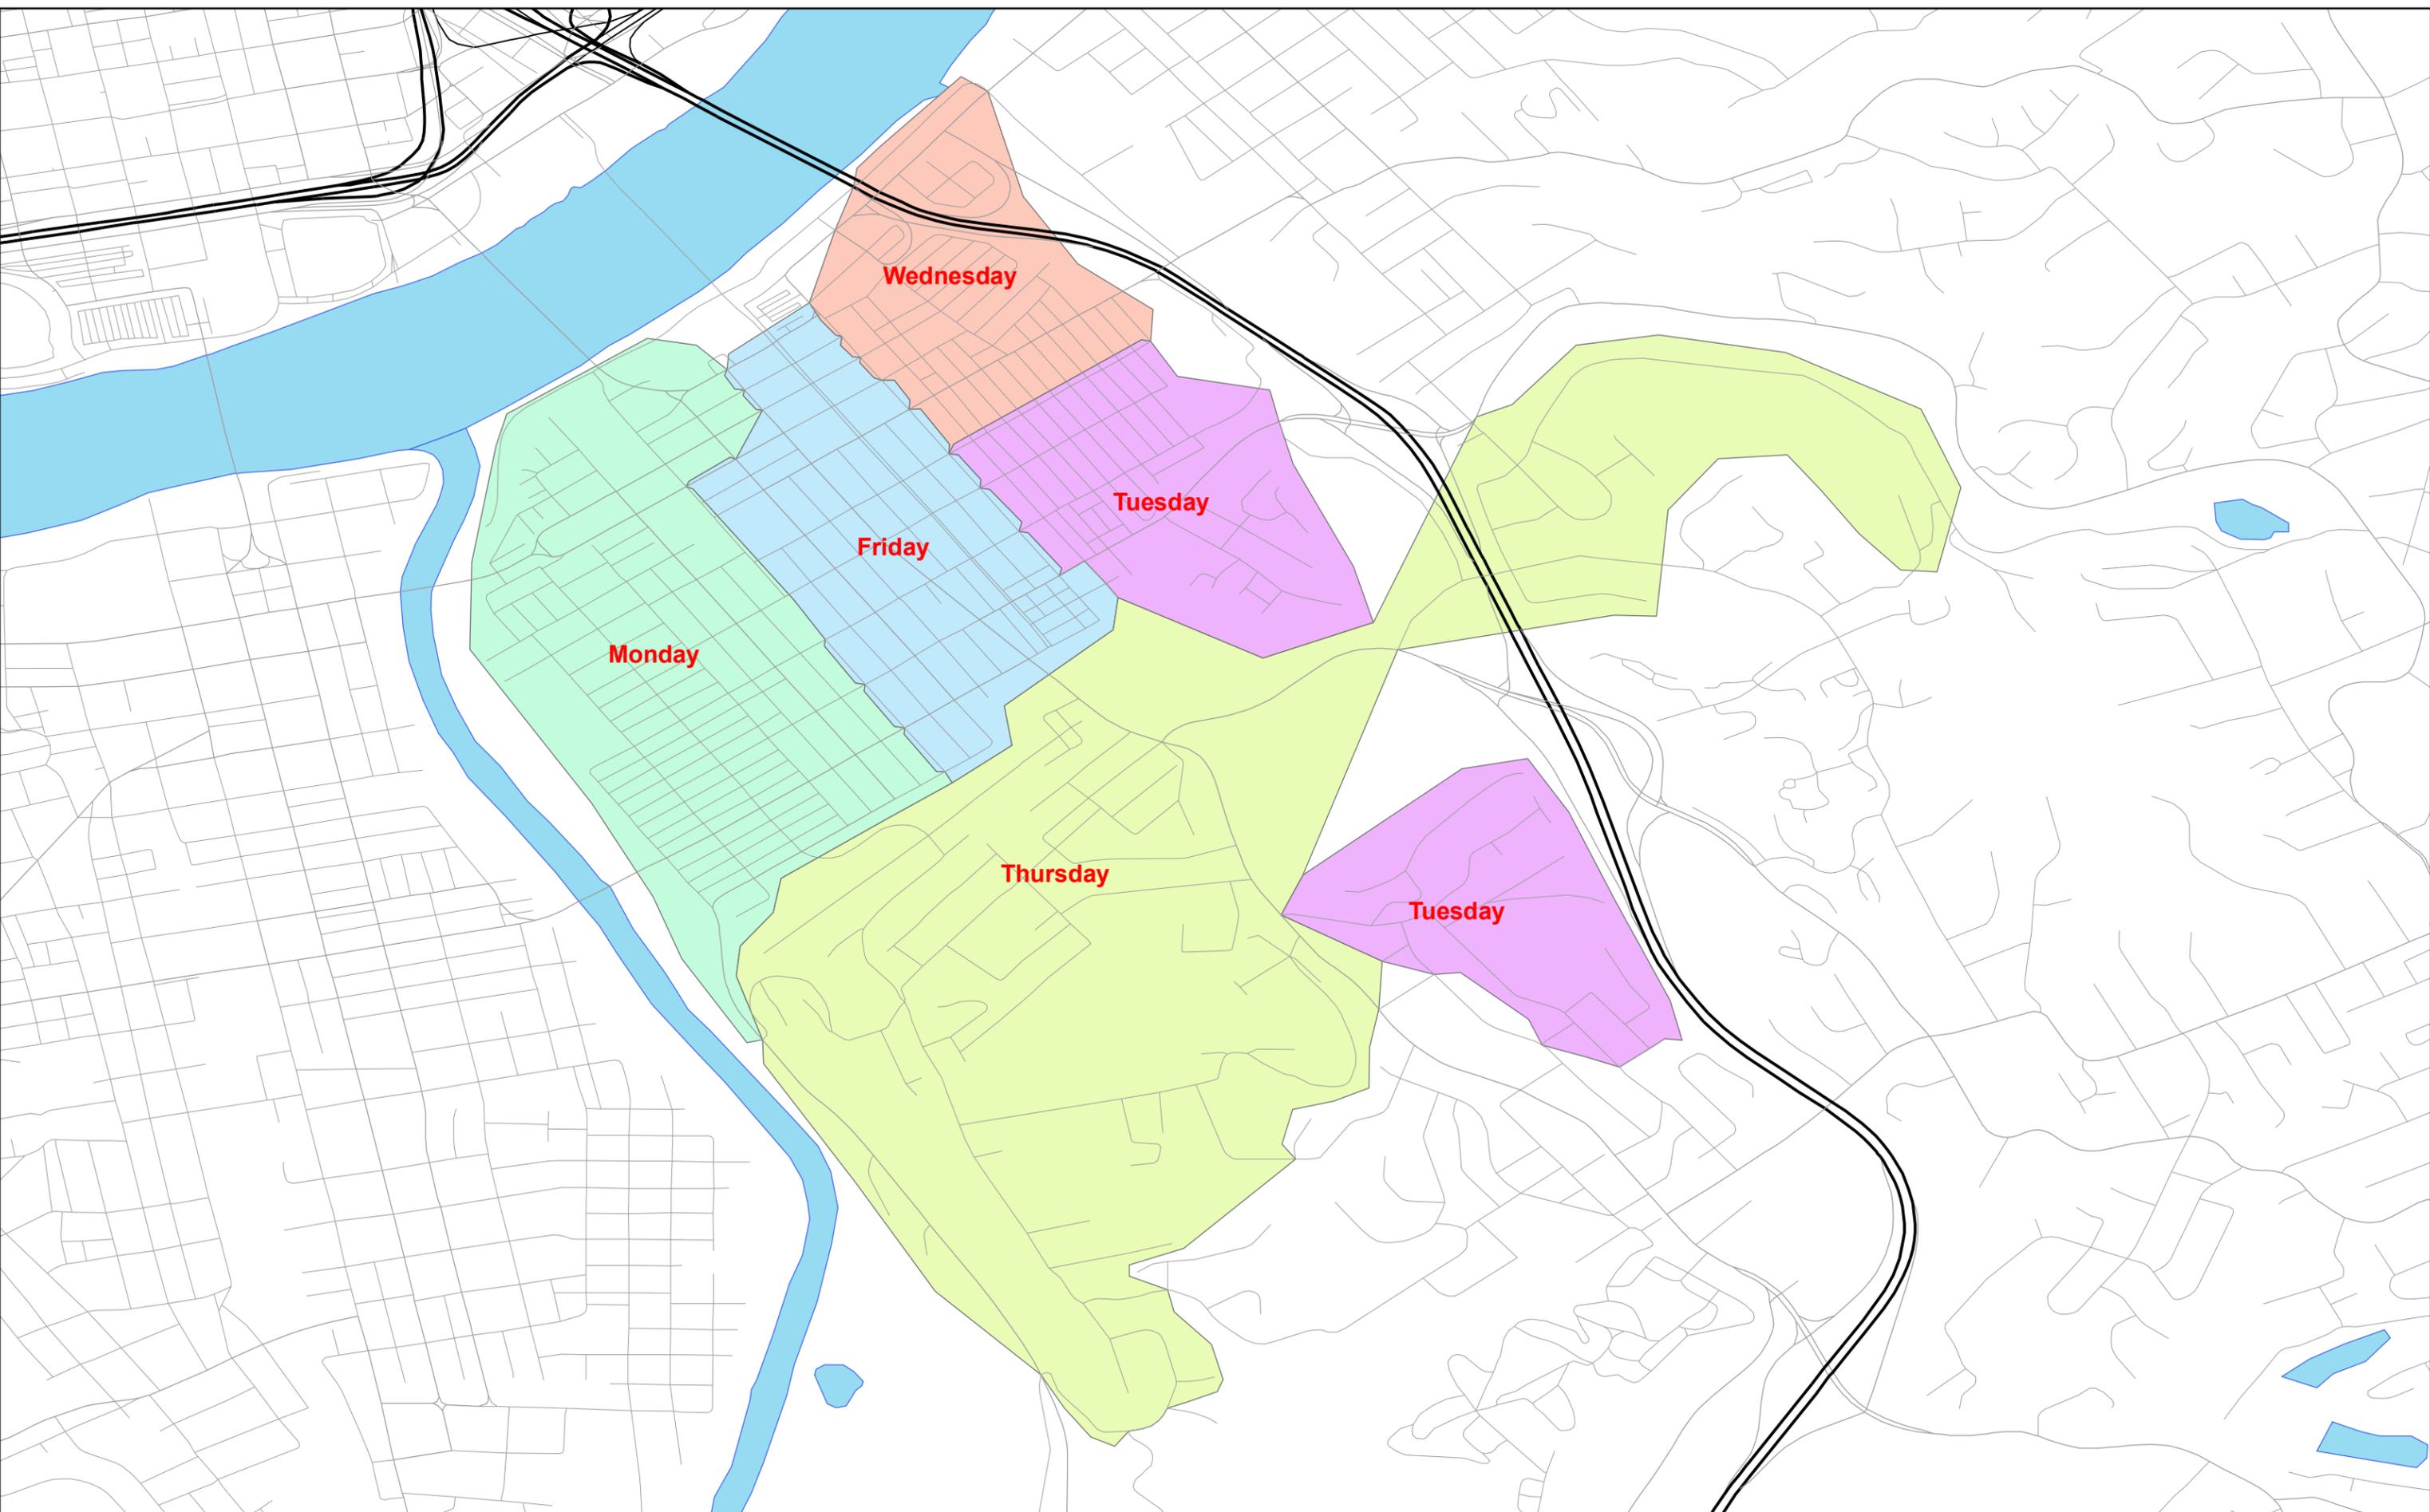

Fromme said that only 400 of the City’s 6,000+ households participated in the curbside recycling program.

“Like trash, recycling collection is an essential service,” Fromme said. “It’s important that our residents make an effort to reduce the amount of trash we send to the landfill. To help encourage participation, we took away the cost barrier.”

Residents who would like to request a different size recycling container or have questions about changes to the program, can contact Rumpke at 1-877-786-7537.

Rumpke Waste & Recycling has been committed to keeping neighborhoods and businesses clean and green since 1932 by providing environmentally friendly waste disposal solutions. Newport and Rumpke are once again teaming up to keep the City clean and green. Please read and retain this mailer for important information about your waste and recycling program.

### Weekly Trash Collection

Beginning the week of July 3, trash will be collected **one time per week**. Watch your mailbox for your new collection schedule.

#### Trash Carts

All Newport households currently have a Rumpke 95-gallon trash cart. Residents can request to use a smaller Rumpke 65-gallon trash cart, at no additional cost. To order, please complete and mail the attached response card to Rumpke by June 9. You can also call 1-877-786-7537 or email southeast.market@rumpke.com.

*Residents are not required to use a Rumpke trash cart. Residents may continue to use their own trash containers as long as it has a lid.*

Additional trash carts can be leased for \$2.50 per month. Carts can also be purchased from Rumpke: 65-gallon carts are \$75 and 95-gallon carts are \$85. Please call Rumpke at 1-877-786-7537 to order.

#### Large Items

Contact Rumpke to schedule collection of items like mattresses, furniture and other bulky items too large to fit inside a trash can. Residents should contact Rumpke at least 24-hours before collection day. Mattresses, box springs and upholstered furniture must be completely wrapped and sealed in plastic prior to collection.

### Recycling

Beginning in July, curbside recycling service will be available to all residents at no additional cost. Recycling will be collected once per week, on the same day as your trash. Residents will receive a 65-gallon recycling cart. A smaller 18-gallon bin is available upon request. Rumpke will deliver recycling carts to all residents the last week of June. To request a smaller container, please complete and return the response card below to Rumpke by June 9. You can also call 1-877-786-7537 or email southeast.market@rumpke.com.

#### What to Recycle

Rumpke accepts a long list of common household items as part of its recycling program. All items should be placed loose inside of the recycling cart. Please don't place items inside of plastic bags. Plastic bags are not accepted in Rumpke's program.
